St. Anthony School e-News

December, 2009

Dear Holmes Family,

The school is full of a cheerful energy as the students eagerly await our Christmas program and prepare for the birth of baby Jesus.

We are also excited and proud to have State Rep. Dan Knodl tour our school this Friday. Read on for more details.

Have a Blessed and Safe Holiday,
Anne Schramka

State Representative Dan Knodl, visits St. Anthony Parish School

State Representative Dan Knodl will be touring St. Anthony Parish School on Friday, Dec. 18th. He will be given a tour of the entire school focusing on the Smart boards and St. Anthony's new technology program. The students and teachers of Saint Anthony Parish School in Menomonee Falls, Wisconsin, are boldly stepping into the future. The students are learning about traditional subjects-math, English, history, and so on-within the context of the timeless moral tradition of their Catholic faith. However, as a result of a major project over the past year, the Saint Anthony students are now doing so with the added help of cutting edge technology-including SMART Boards in the computer lab and in each of their regular classrooms.

State Representative Dan Knodl will witness the excitement when he walks down the halls to peek in the classrooms, and learn about Saint Anthony's new piece of technology.

2nd Grade Field Trip

K5 - 2nd Grade recently visited the Shalom Wildlife Center and enjoyed a sleigh ride with Santa and viewed various wildlife in their natural setting.

4th Grade Field Trip

Pictured here are 4th graders in front of the Christmas Dome at the St. Josaphat Basilica. They attended the Immaculate Conception mass with the 5th grade.

Christmas Program Reserved Seat Winners

Congratulations to the Rice & LaDuke family for being the highest bidders for the reserved seats during our 2009 Christmas Program!

They will enjoy reserved front row seating as well as cookies and hot cocoa hosted by our Home & School Association.

You too can take a chance at bidding on reserved seats for the 2010 performance when you attend Taste Around the World: Springtime in Paris on March 27, 2010. Your official invite will be mail around Valentine's Day!

Fundraising Corner

Labels for Education

If our school submits 2,500 UPC labels before December 31, 2009, Campbells' will match us so we will have 5,000 points to purchase needed items for our school.

Simply save Proof's of Purchase (not entire labels) from participating Campbell products and return them to school. [Click here](#) for a list of qualifying products.

Thank you to everyone who contributed to the Box Tops for Education school challenge.

Keep collecting those Box Tops throughout the year, as our goal this year is to reach \$2,000.

The Pick N' Save We Care program has already helped raise \$1,630.

How the program works: Every time you shop at Wisconsin Pick 'n Save stores and use your Advantage Plus Savers Card, the non-profit(s) you specify will receive a cash rebate. The rebate is distributed every three months and is based on the total

WE CARE dollars Pick 'n Save has contributed. The more you use your advantage card, the larger percentage of total WE CARE contribution your elected non-profit organization will receive.

How to Sign Up: If you already have a Pick 'n Save Advantage Plus Savers Card, just complete an Advantage Plus Savers' Club change form at the Customer Service desk and indicate L.E.A.R.N.'s 6 digit identification number: **753640** It only takes a few minutes and all you need to bring along is your current Advantage card and the L.E.A.R.N. identification number: **753640**. You may select up to three (3) different non-profit organizations, so just add our name to your current list of selections if you are already participating, or select us exclusively to help out St. Anthony School. If you do not have a Pick 'n Save Advantage Card, stop by your nearest store's Customer Service Dept. and they will assist you at setting up your account.
